

## Interesting News From Sexsmith

Vol. II, No. 4

By R. A. MACLEOD

JULY 18, 1933

### TWO MATRIMONIAL SURPRISES

Two surprises in the matrimonial line were sprung on the people of Sexsmith within the past week, when Mr. Geo. A. Lefkowitz and Mrs. Lefkowitz were united in marriage, and Mrs. Milt Cliff and Miss Ellen Cook went the same route.

### MOTORING TO EDMONTON AND REGINA FAIR

Mr. and Mrs. William Hall and children, accompanied by Mr. Hank Weicker, motored to Edmonton last Sunday on a monthly trip.

Mr. and Mrs. Frank Sumner and children also started at daylight Sunday morning for Saskatchewan, to take in the Grain Fair at Regina. Frank had the misfortune to tear out his rear and someone near Sturgeon Lake. We, of course, refer to his car. After some little delay he continued his journey.

As far as we know, Bill's rear is still intact.

### LARGE CROWD AT DANCE

The North Sexsmith School put on a dance at the schoolhouse last evening, with a large crowd in attendance. Kirtland Bros. Orchestra supplied the music.

### BOY SCOUTS HAVE BIG JAMBOREE AT BEAR LAKE

The Boy Scouts of Sexsmith, who had been camping at Bear Lake for the past week, returned on Tuesday evening, all with a good time.

The boys evidently enjoyed themselves under the supervision of Scoutmaster W. Wadell, assisted by Scoutmaster H. Wadell, and Scoutmaster H. Wadell, and Scoutmaster H. Wadell.

The most popular part of the jamboree was the campfire. It was held at night, and Mr. McNab, who had been in charge of the campfire, said that from all reports the boys were well and that their trip had been a success.

We have noticed several people taking bunches of flowers over to the Maternity Hospital.

### BUFFALO LAKES

BUFFALO LAKE, July 17.—Practically everybody went to the Buffalo Lake track last Wednesday evening to see the football match between the Buffalo Bulls and the Buffalo Bears. The game was a close one, with the Bulls leading 10-0 in the first half, but the Bears coming back in the second half to win 10-10.

During this game Arthur Longman, ex-captain of the Bulls, was injured, and the game was suspended for a few minutes. The Bulls won the game 10-10.

Andy Foster, accompanied by his wife, nephew, and the two youngest children, Evelyn and George, was visiting his brother east of Edmonton.

A dance will be held at the U. P. A. Hall on Friday, the 21st, at 8 o'clock.

Bill Greenough, his housekeeper, Mrs. McClure, and the children, left for Deloit on Friday.

Archie B. Bond, J. B. Bond, William Williams and Matt Badiuk went to the Deloit sports and afterwards to Sturgeon Lake.

### WANHAM NEWS

WANHAM, July 17.—Mrs. Geo. McDonald suffered a very painful attack while watching a game of football between the Peoria sports and the Peoria Bears. The game was a close one, with the Bears leading 10-0 in the first half, but the Bears coming back in the second half to win 10-10.

During this game Arthur Longman, ex-captain of the Bulls, was injured, and the game was suspended for a few minutes. The Bulls won the game 10-10.

Presbyterian Church service was held in Wanham on Sunday morning. Dr. Horgan of Regina taking charge of the service.

The Westvale hall team, turning in some good games, on Peoria sports, first prize. The following names were played: Westvale vs. Wanham, resulting in a win for Westvale.

A good game, thought Westvale got a win from Wanham in the second inning, registering ten runs.

Peoria then played Belloy, resulting in a win for Belloy, although Peoria held the winning lead until the last inning, when an error gave Belloy the game by one run.

About an hour later Westvale met Belloy in the final and Westvale proved too strong for the Belloy squad and won by a good margin.

The next ball tournament will be at the Wanham Sports and all teams are practicing hard, as there will be a championship of the district championship.

Come on, Belloy! You will have to practice if you want to take the cup home.

At a special meeting of the dramatic club it was decided to give and get the Olive West Stock Company to come and play on Wednesday night. The club did not think they could have their program read.

We are sorry to hear that, as the club always have put on good programs in the past.

### NANPA NEWS

NANPA, July 14.—Miss Gladys Brown arrived here Saturday for her summer holidays at her home.

The men's basketball team from Peoria River came and played our local boys and won with a score of 10-10. It was a very close game and was refereed by Rev. J. R. McNab in everyone's estimation.

Mrs. M. Brown arrived home on the freight yesterday, after spending a few days with her sister, Mrs. D. Smith, at Fairburn.

Little Prairie played baseball with Nanpa. They finished the game with the ninth inning the score was tied, so an extra inning was played and the game ended in victory for Little Prairie.

### VALHALLA NEWS

VALHALLA, July 12.—The club dance was held on July 7. In spite of the rain there was a fair-sized crowd present. The next dance will be held on August 4.

The V. H. held their meeting in the clubhouse on July 4, with Mrs. Houser as hostess. Mrs. Peterson of Grande Prairie gave a very interesting report on the V. H. convention.

On the V. H. convention, Mrs. Peterson of Grande Prairie gave a very interesting report on the V. H. convention.

Just. That same, we must hand it to him, as he is the first one this year to have eaten his potatoes grown by himself. That of course, when put on the scale, weighed a pound.

Don't forget the Whist Drive Saturday, July 21.

Here and There

Tommy says that the roads in Peoria are in perfect shape.

There is a new venison going up in front of Mr. Smith's place.

The Misses Frances and Norma Dever returned to Grande Prairie after spending two weeks with their dear Mother.

Master Bruce Boynton reports having had a good time last week at Ester.

Mrs. Moore McKone and sons returned recently from the Coast, where they had been holidaying for the last two months.

Mr. W. R. O. English, who has been out for his health for the past year, returned home last week. We sincerely hope that Mr. English's health has improved and that he will be able to continue in his work.

Mr. Simon Holmstrom is on the sick list. We hope that he will soon get better and around.

Mr. A. Grimm is home from Saskatchewan for a few weeks' holiday.

RYCROFT NEWS

RYCROFT, July 17.—The picnic held at Greenway on July 12 was a big success, as about two hundred people attended. The day was ideal for sport and the baseball tournament turned out much better than expected. There were six games of ball played in the last inning to make a score of 13-12.

The Junior boys ball game between Greenway and Redwings was up and tuck through the whole of seven innings, when Harry Dickson of the Redwings won the game by a score of 7-6.

The seniors baseball was a bit anticlimactic when Greenway practically shut out Bruncha Creek in the first hit by a score of 6-2.

In the second game Rycroft won from the Redwings by a score of 6-2. In the final Rycroft was best by Greenway by a score of 10-6. The Rycroft team was very much enjoyed by the large crowd present. We would like to have more of these open-air services.

ALBANY, N. Y., July 12.—A night-long battle between a madman and state, county, and city police ended with the death of the madman, who barricaded himself in the sheriff's apartment, a veritable arsenal.

HAZELMERE NEWS

Last Sunday the Rev. Mr. Harrison conducted a Remembrance Day service at the Rio Grande sports ground, which certainly was very much enjoyed by the large crowd present. We would like to have more of these open-air services.

## PRESTVILLE NEWS

**PRESTVILLE, July 17.**—A meeting was held in the clubhouse July 8 for the purpose of discussing the consolidation of back taxes. Mr. Jim Hutt was appointed chairman of the meeting.

Mr. and Mrs. Walter Dohle and baby daughter, of Olds, and Mrs. E. Lloyd and Betty June, of Canmore, are guests at the Ruthven home. Mrs. Lloyd arrived by car on Wednesday. Mrs. Dohle is the eldest daughter of Mr. and Mrs. Ruthven, and Mrs. Lloyd is Mrs. Ruthven's sister. Miss Myrtle Ruthven plans on returning to Olds with her sister for a visit.

A meeting of the parents was held at the home of Mr. and Mrs. J. Hutt on Wednesday evening to discuss plans for the school picnic to be held July 23. If the picnic turns out to be a success, the children will have a nice day.

A picnic was held on the beach at Jack Stevens on Sunday.

Miss Jean Parks visited Miss Kathleen Stevens over the week-end.

Mr. E. Gillespie and Mr. A. Anderson returned from their motor trip on Saturday. They report a very nice time and find it hard to settle down to farm life again.

Mr. W. Rutherford has accepted the contract to finish Mr. H. Horton's new house.

Mr. and Mrs. Oscar Parks and family were visitors at the Jack Stevens home on Sunday.

We are pleased to report that Mr. R. Watson is progressing nicely after his recent operation for the spirit Hysteria Hospital.

The "Home-Makers Club" held their regular meeting at the home of Mrs. Jim Hutt, with Miss Maud Carter, Mrs. W. H. Wood and Mrs. J. Anderson as assisting hostesses. A good crowd turned out and the ladies had a very pleasant afternoon. The next meeting will be held at Mrs. W. H. Wood's home.

Mr. and Mrs. W. R. Dohle have been plastering at Bob Stevens.

## ASPEN RIDGE

**SPORTS DAY GOES OVER BIG AND WAS VERY ENJOYABLE**

**ASPEN RIDGE, July 10.**—The Aspen Ridge sports day was not an ideal one, but in the afternoon the weather became warm and a good crowd gathered to witness the sports events.

The sports started with a basketball game between the Wapiti River team and the local boys. This was a close game, but Aspen Ridge came out on top, the score being 14 to 4.

Next was the 400 yd. race. The winner was Wapiti River—Henry McCullough, catcher. A. Lefstrom and E. Rogers pitched. Aspen Ridge—Cliff Montgomery, catcher. Joe Montgomery pitched.

Our boys did not take a very active part in the other sports, but they did enjoy the ride on the roller coaster, which was a very popular attraction. The roller coaster was operated by Jack Ward of Wapiti, on the same track as the roller coaster. Ernest, Jack and Lawrence, who were the chief riders, while Marion Grubb also gave a good exhibition of their riding.

The Aspen Ridge girls gave the Haulen girls a close game in basketball, being ahead till the last period, when the Haulen team took the lead. In the overtime period the Haulen girls secured the victory.

Our girls failed to register. As a result our team was defeated by the Haulen team, the score being 18 to 8.

Just what the basketball game was in progress our school boys played basketball game (three innings) against the Wapiti school boys, but came out second best, the score being 8 to 4 in favor of the Wapiti boys.

The second basketball game was between Wapiti and Aspen Ridge. Wapiti again the Aspen Ridge boys played in a new form and defeated the Wapiti boys by a wide margin, the score being 16 to 4. However, the game was not an one-sided as the Wapiti team did appear, and our boys had to play it hard to hold the Wapiti team down.

The batteries—Wapiti—Armine Kestner and Gus Klepp pitched. Ross Daney caught. Aspen Ridge—Cliff Montgomery, catcher, Joe Montgomery pitcher.

Our boys were going to try their luck in a football game against the Wapiti boys, but the game was called on account of a rainstorm. The races and jumping had to be omitted also owing to lack of time.

A well attended dance in the evening concluded the program.

A great deal of credit for the success of our picnic is due to Mr. Johnnie McDougall, who volunteered to operate a booth for the benefit of the Community Club and which was appreciated by the crowd. We thank you, Johnnie. The other members of the sports committee also deserve thanks for preparing the grounds and keeping the sports going in full swing.

Mr. and Mrs. Frank Willis were surprised on the morning of Sports Day by the arrival of some relatives from Saskatchewan.

The Aspen Ridge team won their fifth straight victory on Sunday by defeating the St. John's school team by a score of 25 to 10. Ken H. up, boys!

The Aspen Ridge ball players will take this opportunity of expressing their appreciation of the splendid lunch and to extend their thanks to the ladies of the district for furnishing it for them on Sports Day.

**I Saw**  
Our cowboy friends, Len Kauffman and Bill Deering, heading in some steers on the morning of Sports Day.

George Schindler, who volunteered to operate a booth for the benefit of the Community Club, was surprised on the morning of Sports Day by the arrival of some relatives from Saskatchewan.

Several of the boys on horseback having their photos taken with some charming young ladies.

Joe Montgomery and Ross Daney staging a foot race down the first base line during the ball game. Yes—Joe got caught!

The Haulen girls and a lady

friend kneeling on the basketball court.

Eve Clayton playing a star game of basketball on Sports Day.

Some of the boys and girls on Sports Day. Good work, boys!

Metvin picking up some "hot" ones and shouting them to first base. Bill doing likewise.

Joe "holding down" first in first base.

Arpen Ridge July 17.—The Arpen Ridge High School had a strenuous week on Wednesday evening last week, and the basketball game was particularly lively.

The girls practiced basketball the same evening and after the basketball game the boys helped them by practicing a boys' team to play a short game to relate. The young ladies, and to relate, came out second best.

The young gentlemen seemed to enjoy the basketball practice more than the basketball game. We wonder why?

The "see" on Thursday to do work for the Community Club was not as successful as was anticipated, due mainly to the arrival of five from a month's trip or so members to do the work. Needless to say, the work was not finished and it seems likely more will be needed to finish it, unless the members turn out in greater force.

Miss Bernice Grubb, who has been working for the Community Club, has been successful in her efforts.

The young folks, and older too, spent a very enjoyable evening at the home of Mr. and Mrs. Frank Willis, the cardplaying, dancing, ice cream and drinks being enjoyed by all.

The "see" on the young people spent the week-end having a picnic on the Beaveridge River.

Many of the people from Aspen Ridge are planning on attending the basketball game on Sunday.

Clearing land, summerfallowing and harvesting are beginning to show the occupations of the neighborhood these days.

We have nothing further to report on the basketball team this week, as no more were played, but we have great hopes of a win on the 20th.

The crops and gardens throughout the neighborhood are looking very good. A good rain any day would not be an ideal one, but in the afternoon the weather became warm and a good crowd gathered to witness the sports events.

The sports started with a basketball game between the Wapiti River team and the local boys. This was a close game, but Aspen Ridge came out on top, the score being 14 to 4.

Mr. and Mrs. Frank Willis were surprised on the morning of Sports Day by the arrival of some relatives from Saskatchewan.

The Aspen Ridge team won their fifth straight victory on Sunday by defeating the St. John's school team by a score of 25 to 10. Ken H. up, boys!

The Aspen Ridge ball players will take this opportunity of expressing their appreciation of the splendid lunch and to extend their thanks to the ladies of the district for furnishing it for them on Sports Day.

Joe Montgomery and Ross Daney staging a foot race down the first base line during the ball game. Yes—Joe got caught!

The Haulen girls and a lady

friend kneeling on the basketball court.

Eve Clayton playing a star game of basketball on Sports Day.

Some of the boys and girls on Sports Day. Good work, boys!

Metvin picking up some "hot" ones and shouting them to first base. Bill doing likewise.

Joe "holding down" first in first base.

Arpen Ridge July 17.—The Arpen Ridge High School had a strenuous week on Wednesday evening last week, and the basketball game was particularly lively.

The girls practiced basketball the same evening and after the basketball game the boys helped them by practicing a boys' team to play a short game to relate. The young ladies, and to relate, came out second best.

The young gentlemen seemed to enjoy the basketball practice more than the basketball game. We wonder why?

The "see" on Thursday to do work for the Community Club was not as successful as was anticipated, due mainly to the arrival of five from a month's trip or so members to do the work. Needless to say, the work was not finished and it seems likely more will be needed to finish it, unless the members turn out in greater force.

Miss Bernice Grubb, who has been working for the Community Club, has been successful in her efforts.

The young folks, and older too, spent a very enjoyable evening at the home of Mr. and Mrs. Frank Willis, the cardplaying, dancing, ice cream and drinks being enjoyed by all.

The "see" on the young people spent the week-end having a picnic on the Beaveridge River.

Many of the people from Aspen Ridge are planning on attending the basketball game on Sunday.

Clearing land, summerfallowing and harvesting are beginning to show the occupations of the neighborhood these days.

We have nothing further to report on the basketball team this week, as no more were played, but we have great hopes of a win on the 20th.

The crops and gardens throughout the neighborhood are looking very good. A good rain any day would not be an ideal one, but in the afternoon the weather became warm and a good crowd gathered to witness the sports events.

The sports started with a basketball game between the Wapiti River team and the local boys. This was a close game, but Aspen Ridge came out on top, the score being 14 to 4.

Next was the 400 yd. race. The winner was Wapiti River—Henry McCullough, catcher. A. Lefstrom and E. Rogers pitched. Aspen Ridge—Cliff Montgomery, catcher. Joe Montgomery pitcher.

Our boys did not take a very active part in the other sports, but they did enjoy the ride on the roller coaster, which was a very popular attraction. The roller coaster was operated by Jack Ward of Wapiti, on the same track as the roller coaster. Ernest, Jack and Lawrence, who were the chief riders, while Marion Grubb also gave a good exhibition of their riding.

The Aspen Ridge girls gave the Haulen girls a close game in basketball, being ahead till the last period, when the Haulen team took the lead. In the overtime period the Haulen girls secured the victory.

Our girls failed to register. As a result our team was defeated by the Haulen team, the score being 18 to 8.

Just what the basketball game was in progress our school boys played basketball game (three innings) against the Wapiti school boys, but came out second best, the score being 8 to 4 in favor of the Wapiti boys.

The second basketball game was between Wapiti and Aspen Ridge. Wapiti again the Aspen Ridge boys played in a new form and defeated the Wapiti boys by a wide margin, the score being 16 to 4. However, the game was not an one-sided as the Wapiti team did appear, and our boys had to play it hard to hold the Wapiti team down.

The batteries—Wapiti—Armine Kestner and Gus Klepp pitched. Ross Daney caught. Aspen Ridge—Cliff Montgomery, catcher, Joe Montgomery pitcher.

Our boys were going to try their luck in a football game against the Wapiti boys, but the game was called on account of a rainstorm. The races and jumping had to be omitted also owing to lack of time.

A well attended dance in the evening concluded the program.

A great deal of credit for the success of our picnic is due to Mr. Johnnie McDougall, who volunteered to operate a booth for the benefit of the Community Club and which was appreciated by the crowd. We thank you, Johnnie. The other members of the sports committee also deserve thanks for preparing the grounds and keeping the sports going in full swing.

## Wembley District News of Interest

Vol. II. WEMBLEY, JULY 18, 1933 No. 4.

## SUFFERS PARALYTIC STROKE

Mr. George Gordon, a bachelor who has lived two miles west and half mile south of Wembley for the past few years, was found lying on the ground on Saturday morning.

Mr. Gordon was taken to the Grand Prairie Municipal Hospital at once and is now improving as well as can be expected.

# ILLUSTRATED NEWS OF THE WEEK - A SPECIAL TRIBUNE FEATURE

ROYAL AIR FORCE PILOTS HUNT PREHISTORIC MONSTERS

Apart from the daring displays put on by the Royal Air Force at the annual air pageant at Hendon, one of the titbits of the show is the humorous stunting by the Pterodactyl plane, better known as the tailless aeroplane. This year the Pterodactyl went aloft and staged a "thrilling" fight against a number of prehistoric "animals." Here we see some of the "animals" anchored with pieces of wire preparatory to their release for the slaughter.

VINE'S CONQUEROR IN ACTION

Here is an excellent action picture of Jack Crawford, who performed the iron-man feat in the final of the All England Men's Singles Lawn Tennis Championship by defeating Ellsworth Vines, United States titleholder. Crawford, who hails from Australia, has been in the front ranks of tennis stars for a number of years, but this is the first time he has won the British title. The match between the Australian and United States champions went to five sets, with Crawford showing much superiority in the final set.

FROLICKING DIGNITY

When called upon to formally dedicate a new bathing pool at Guilford, England, Mayor William Harvey decided he'd be the first to swim in it. So he appeared in his mayoral robes, under which were a bathing suit. After the ceremonies had been duly observed, His Honor dived in.

## Wheat Ripens In 53 Days

IS THIS A RECORD FOR GERMINATION?

These stands of wheat were taken from one of the plots at Indian Head, Saskatchewan, Dominion government experimental farm, and are entries received from over 20 different countries in the competitive classes at the World's Grain Exhibition and Conference to be held at London July 24 to August 3. The seeds were placed in the ground on May 1 and plucked on June 22, in full ear, with all shoots strong, clean and healthy. Some of the wheat in the competitive exhibits show 71 sounds to the bushel, indicative of the exceptionally fine quality of the grain which will be on view at the Exhibition.

## WHEAT IN TWO COUNTRIES

United States May Have To Import From Canada This Year

If the crop experts are correct in their predictions, the United States will have to import wheat before the 1934 crop is harvested—and Canada has wheat for sale.

United States government reports estimate total production for the present year at 60,000,000 bushels. Normal consumption is 120,000,000 bushels, and usually there are heavy exports, shipments to territories and insular possessions. Winter wheat is down 25,000,000 bushels from the average and spring wheat is "below normal."

At the same time, Canadian government officials reported that in Saskatchewan and Manitoba crop prospects were "notably better" than a year ago, and in Alberta only very slightly below the corresponding date of '32.

On the basis, then, of present expectation, the United States will be off the export market for the next year, and in addition will have to import a considerable quantity of wheat. This situation should react to the distinct advantage of Canada, which goes into the new crop year with a heavy carry-over and the best outlook in a decade for a heavy and well-distributed production. Dollar wheat may not be so far away as it has seemed.—Ottawa Journal.

## NEW CLOCK VERY ACCURATE

Master Timepiece Will Not Vary Second In Five Years

A master clock that will not gain or lose one second in five or six years was described recently in Washington by engineers of the United States government and will be installed at the Naval Observatory, there to regulate all official clocks and correlate over government radio stations. In short, the new timepiece will set the pace for all activities ashore and afloat.

The clock operates on a unique principle. A slender bar of crystal quartz a few inches long is suspended in an air chamber, in which the temperature is kept constant to within a few hundredths of a degree. The arrangement of the quartz bar in the chamber is such that air vibrations react on it to produce what is called "piezoelectric feedback." The bar of quartz is delicately suspended on slender threads. An accuracy of one part in 100,000,000 is claimed.

"Clocks operated by other means are subject to many errors," said Mr. Caldwell. "Even the best pendulum timepieces have a daily error. Their run fast and slow, in accordance with the attraction of the moon's mass. But the electronic clock, employing crystal quartz, is not subject to such errors, and is extremely accurate in keeping time, undisturbed by the effect of moon on earth. A clock employing such a principle is the most accurate known."

## PARIS NEEDS SUPER CATS

To cope with the plague of rats which has been causing great damage in Paris, the municipal council has just voted to establish a form for breeding and training cats of special strength and courage. City officials fear that ordinary cats would be killed by the rodents.

A man never knows what he can do until he tries—then it's very often sorry that he found out.

An American firm proposes to build metal houses in Britain.

## A Few Items of World Interest

The Canada-South Africa trade agreement, negotiated during the Imperial Economic Conference in Ottawa last summer, has become effective.

The World's Disarmament Conference has been adjourned to October 10, despite a protest by Randolph Naden, Chancellor Hitler's representative, that the long recess amounted to a first-class general for disarmament.

Approximately 2,500 single unemployed men are in Vancouver receiving no assistance from either city or province because of their refusal to go to relief camps or because they left these establishments.

E. L. Bushnell, director of radio station CKMG, Toronto, has been engaged by the Canadian Radio Broadcasting Commission to make a tour of the western provinces to organize programs from this area.

Detention for 28 days was the sentence meted out to Guardsman Harris, sentry at Windsor Castle, following a court martial. Harris was found asleep at his post while the royal family were in residence some time ago.

A plea for an even greater measure of co-operation between all nations in the fight against tuberculosis was made by Professor S. Lyle Cummins of England, noted authority on the disease, at the annual dinner of the National Tuberculosis Association held in Toronto.

John M. Chapman, associate professor of banking at Columbia University, in an address before the round table on money, banking and financial situation, at the Institute of Public Affairs, said that the United States "bank failure movement is not ended."

Seven speedy destroyers, used by the United States coastguard for years to chase rum runners and other smugglers operating off the Atlantic coast, have been returned to the navy because the government's economy program necessitated a reduction in expenditures.

Research workers of the National Tuberculosis Association are perfecting and will shortly give the world a new substance to determine accurately the presence of tuberculosis infection in man, the Toronto Telegram said it has learned.

"This substance, it is understood, will contain no foreign elements other than the one purpose of which is to indicate diagnostically the presence of infection," the newspaper said. "It has as yet been given no name and is not ready for commercial distribution."

Seven speedy destroyers, used by the United States coastguard for years to chase rum runners and other smugglers operating off the Atlantic coast, have been returned to the navy because the government's economy program necessitated a reduction in expenditures.

## FAITH IN WESTERN CANADA

Wheatley Company Breaks Even On Wheat Deal

Wheat taken by the William Wheatley, Jr., Company of Canada in payment of debts owing them in western Canada has now been sold without financial loss state Allan Ross, president of the company.

In December, 1932, the company announced all money owing it in the provinces would be used to pay for 1,000,000 bushels of wheat. The announcement was to leave the money in western Canada in wheat and the company's announcement declares its faith in Canada and her chief commodity had been more than justified.

## EVOLUTION OF ELECTRIC LAMPS

New Type Is Very Different From Old Style Tungsten

Edison's tungsten electric lamp was one of the marvels of the 1901 Chicago World's Fair. A new type of electric lamp—the sodium-vapor bulb—promises to be the most significant scientific device on exhibit at the Century of Progress Fair, 40 years later. A Dutch sodium-vapor bulb exhibited at a New York science meeting the other night, has 16 times the visibility of ordinary tungsten lamps and provides from three to four times as much light for the same amount of electricity. The new lamp provided a unusual yellow light, said to be helpful to vision.

OFF FOR THE COURT OF ST. JAMES

Attired in the traditional court costume, Mrs. Robert W. Bingham and her daughter, Henrietta, wife and daughter of the U. S. Ambassador to the Court of St. James, are shown as they left the American Embassy to make their bow to King George and Queen Mary. They were greeted at the last court of the season.

CHAMPION, CARNERA CELEBRATES

"Unhappy lies the head that wears a crown, my eye," says Primo Carnera, new heavyweight champion of the world, as he prepares to sink his mighty molars into a tender chicken during a party to celebrate his victory over Jack Sharkey. In the lower photo Primo gives vocal expression to his exultation, while he accompanies himself on the accordion.

## TUBERCULOSIS INFECTION

New Substance Reported Being Made To Determine Presence of T. B.

Research workers of the National Tuberculosis Association are perfecting and will shortly give the world a new substance to determine accurately the presence of tuberculosis infection in man, the Toronto Telegram said it has learned.

"This substance, it is understood, will contain no foreign elements other than the one purpose of which is to indicate diagnostically the presence of infection," the newspaper said. "It has as yet been given no name and is not ready for commercial distribution."

"HARRY! STOP! YOUR WRIST-WATCH!"

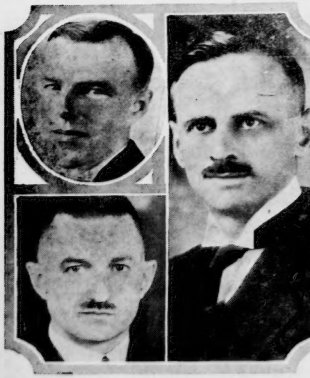

—The Humorist.

TO BRAVE NIAGARA  
Plans To Go Over the Falls In A Steel Barrel

Niagara Falls, Ont. — Planning to venture over the foaming cataracts of Niagara Falls, Alfred Rioux, of this city, is scheduled this month to make his daring plunge, second in an iron torpedo-shaped barrel.

The barrel Rioux intends to use, is of steel construction with a port-hole looking from the inside.

Rioux intends to plunge over the Horseshoe Falls and through the lower rapids to Queenston.

CANADIAN DELEGATION TO RADIO CONFERENCE

Here are the three Canadian delegates who represent the Dominion at the North American Regional Radio Conference at Mexico City which opened July 18. The main task of the conference is to sort out the block of air channels allotted to the region at the International Congress in Madrid last fall. Right is Laurent Brindley of the Department of External Affairs, who heads the delegation from Ottawa. Left, top to bottom: Commander C. P. Edwards, director of the radio telegraph branch of the Canadian Department of Marine, and Lieut.-Col. W. A. Steel of the Canadian Radio Broadcasting Commission.

AFTER SAFE SEAT

Arthur Henderson, former leader of the British Labor Party, who lost his hurried seat in the House of Commons in the Labor debacle of 1931, is shown as the Labor candidate in the safe Labor seat of Croydon, Derbyshire.

WILD BILL

Here is a new picture of William Hainshaw of St. Louis Cardinals. He was once called "Wild Bill," but now is one of the great left-handers of the game. In two World Series he won 3 and lost 1. In six years in the National League, Bill has struck out 324 batters.
